

# Carson Medical Group

## **Family Medicine Physician**

Carson Medical Group, the largest primary care provider in the Carson City area, is seeking a Family Physician to join our physician owned, independent, multi-specialty group.

Carson Medical Group is made up of 26 exceptional physicians who are on the forefront of their specialized fields of medicine. Our unique partnership model allows physicians to establish and obtain their own personal and professional goals. CMG actively seeks new partners that also value leadership and control of their personal and professional goals. At CMG, we encourage our partners to embrace the ever changing medical landscape and maintain the physician/patient relationship in the highest regards. From being the ACOG President to presenting at national conferences, our physicians are frontrunners in the healthcare industry.

Our physicians are on staff at Carson-Tahoe Regional Medical Center, a beautiful, new state-of-the-art hospital serving Carson City and its surrounding communities.

Carson Medical Group's main focus is primary care, and our specialties include: Family Medicine, Obstetrics and Gynecology, Pediatrics and Ear Nose and Throat.

Carson Medical Group has a patient base of over 100,000.

## **Our Family Medicine Group**

Currently, Carson Medical Group has seven Family Medicine Physicians with seven of those in our call group.

A typical scenario for our Family Medicine Physicians is:

Monday through Friday work scheduled from 8 am to 5pm.

Our Family Medicine Physicians see 18-25 patients per day of all ages. Approximately 25% of the patient base is Medicare. The rest are commercial, self-pay, or other form of payment. Our physicians have control over their own schedules.

Carson Medical Group's Family Medicine Physicians do not practice Obstetrics.

Our call schedule is one week on; and six weeks off – with very low volume calls. The area's Hospitalists take all adult patients, and we have a very small volume of low risk newborn and pediatric patients (Note: the Hospital has eight pediatric beds).

Additionally, we have seven Nurse Practitioners who assist in our clinical hours and staff our after-hours clinic.

### **A Strong Corporation**

Starting Salary – First year pay is a combination of fixed salary and production bonus. Partners earn in the top 5% of all Family Physicians.

Carson Medical Group provides 401K matching by our corporation.

An annual allowance is provided for Continuing Medical Education, business expenses, insurance, and mileage. License, Malpractice, Academy, and other professional expenses are paid by the group.

CMG makes every effort to keep with the ever changing healthcare landscape, all while keeping true to our primary mission of providing quality care to the community.

As an early adopter of electronic health records, web portals, and other technologically advanced health care delivery systems, we pride ourselves as a “champion” in the forefront of the current Health IT world for a group our size. We also benefit from having in-house IT, software support, and billing.

Our Patient Center Medical Home recognition is currently in development. In addition, we participate in several Pay for Performance incentives.

### **About the Area**

Carson City is located less than 30 minutes from beautiful Lake Tahoe, the most popular destination in the United States. Lake Tahoe and the surrounding area provides endless year-around activities for those who enjoy the outdoors – skiing, hiking, mountain biking, camping, snow shoeing, kayaking, paddle boarding, golf, fishing, and much more. Take in the beauty of Lake Tahoe, the hustle and bustle of Reno and the old west flavor of Virginia City, each within a 35 minute drive.

Northern Nevada’s semi-desert climate makes outdoor activities enjoyable for residents and visitors year round. With an average of over 265 days of sunshine per year, the pleasant climate is hard to beat - during the summer months, high temperatures average around 90 degrees; during the winter, around 45 degrees. Average rainfall is approximately 11 inches, and average annual snowfall is 22 inches.
